

SAINT JOSEPH CATHOLIC SCHOOL
Spring 2009 AIMS Results
215 South Craycroft * Tucson, Arizona * 520-747-3060

Dear Parents:

Below are the test results from the AIMS test that the students took last April. The AIMS-DPS is administered to students in third through eighth grades to determine their knowledge and understanding of the AIMS Academic Standards in reading, writing, mathematics, and science. The AIMS-DPS also compares a student's performance nationally. The data derived from the AIMS-DPS is used to guide instruction and to measure school performance.

Tables 1-6 depict the results from Saint Joseph School grades 3 - 8 in reading, writing and mathematics, and in science for grades 4 and 8. These tables also give the on-line results from the State mandatory testing of students in our public schools, in grades 3 through 8. If you have any questions, please contact the office. Thank you. (*Remember that these test results are for last school year!!!)
